

# Hospice Foundation of America

## *Project Talk Update*

### What would your event look like?

Tallahassee, FL

Project Talk Trial events come in all shapes and sizes. We're looking for more hosts who are passionate about **advance care planning** and who can:

- Recruit 25-50 underserved adults
- Accept the assigned study tool
- Use only project-provided materials
- Attend all virtual trainings
- Complete one event on the project timeline
- Involve a trusted community person
- Use a conveniently located venue

Monterey, CA

Become one of 75 communities involved in this NIH-funded research project! Project Talk aims to engage **underserved populations**, which include racial and ethnic minorities, low-income, and **rural** populations in advance care planning.

Hosts receive a \$300 grant to support event expenses and event participants can earn up to \$90 in gift cards.

Rural organizations needed!

## About the Project Talk Trial

The goal of the Trial is to evaluate the impact of several approaches to promote advance care planning in underserved populations (such as ethnic and racial

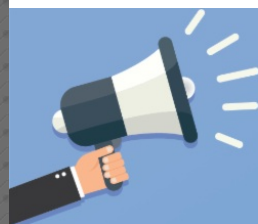

minority backgrounds, rural communities, or low-income areas).

We're halfway through our research project and are looking for more **rural** communities to apply to host an event. Interested? [Apply Now!](#)
