Shoutout to Sherry Campbell and Wonjen Bagley for hosting a Project Talk event last month! We received a lot of great feedback from participants. Here's what Sherry had to say about the event:

I really loved the feedback from everyone as they were leaving saying "this was really fun," "hey would love to do this again," and that it was meaningful to help them think through some things. One woman said she was able to talk about things she was never able to talk about before and that was incredible to hear.
