## Informational Session - Project Talk Trial

**Free 30-Minute Session**

**Thursday, September 19, Noon-12:30pm ET**

Are you passionate about advance care planning? Join Penn State College of Medicine physician and researcher Lauren Jodi Van Scoy, MD, for a brief overview of the Project Talk Trial, a national research project about advance care planning funded by NIH.

Learn about how you can be part of this exciting initiative to bring advance care planning to an underserved population in your community. The presentation will be followed by a Q&A with Project Talk Trial research assistants.
