## *Project Talk Update*

Spring will be full of PTT events. Join the fun and bring an ACP event to your town!

**Planning for National Healthcare Decisions Day?** Spring is the perfect time to host an event that encourages your community to discuss advance care planning.

Be one of 75 Project Talk hosts to engage underserved populations in an event that will empower them to think about and start conversations related to their end-of-life goals and wishes.

Hosts receive a \$300 grant and participants can qualify for up to \$90 in gift cards.

### What does it take to become a host?

1. An **interest** in helping underserved populations learn about the importance of advance care planning
2. **Ability** to organize an event for 25+ attendees
3. **Access** to a convenient venue such as a church, senior center, community center, or medical center
