Recent Project Talk Events

Winchester, VA

Host: Justine Waddell, Care Access Consultant with Blue Ridge Hospice

*"I cannot thank you enough for allowing us to host this event for you. Your support to my team was amazing. I am thrilled with the turnout we had and how **interactive the participants were**. I have made many connections with the community throughout the planning stages of the event that would like to continue discussions like this in their own organizations. We had members today from Valley*

Health Hospital Systems, United Way, Edward Jones Financial, City National Bank, and Mt. Carmel Baptist Church."

Quincy, IL

Host: Shari Robesky, Medical Social Worker/Behavioral Therapist with Quincy Medical Group

Advance Care Planning is close to my heart, and

hosting Project Talk in Quincy was an incredible step forward. We had the chance to talk openly about values, wishes, and what truly matters—conversations that can bring peace of mind to families and loved ones. Many attendees shared how grateful they were for the event, how much they learned, and how important these discussions are. It reinforced just how essential it is to keep hosting events like this in the future. Let's keep the conversation going.
